Items discussed:

1. Do we do an annual audit of the books? Gene said that Clarence Matuzek and Father Pete Renard are on the audit committee. They contact Gene annually and do an audit.
2. Dale talked to the Executive Director of the Miracle League to see if they would be interested in having a band play as part of their opening day ceremonies. They are very interested. A player's mom is talking to a high school band about playing. The director will let Dale know if they would like us to play or if the other band will play. Dale will make an announcement for volunteers to see if we have enough people to put a band together after he hears from the league.
3. The Steinegg band will be celebrating their 200th anniversary in 2013. A few of the people who went on the band trip in 2006 are talking about taking a trip to Steinegg for the anniversary. Dale would like to send a survey to the band to see if members are interested in taking a trip to Steinegg in 2013. Nancy B will email Hans to see if the Steinegg band has discussed any celebration for their anniversary. Dale will send a survey out after Nancy gets a reply from Hans.
4. Music stands are becoming an issue at concerts and rehearsals at the Allouez Community Center. People who have band issued stands are not bringing them to concerts and rehearsals. They are then taking stands that belong to other members or stands that have been reserved for use by the percussion section.

It was decided that a list would be made denoting who needs to bring a stand to concerts and ACC rehearsals and who is exempt. Then there will be no question as to each member's responsibility.

The next board meeting has not been scheduled.
